## **A tradition of craftsmanship**

We are an independent family business and pride ourselves on offering a personal, professional service, quality and value. Since 1986 we have designed and produced beautiful handcrafted memorials at our factory using the traditional skills and techniques of the stonemasons art which have been handed down through our family for over 60 years.

We understand that choosing a memorial tribute for a loved one is a difficult and very personal decision and our aim is to make the process as simple as possible for you. Our brochure is designed to be as informative as possible, however if you have any questions or require assistance at any time, please do not hesitate to contact us and we will be pleased to help.

## **A lasting tribute**

The range of memorials shown within our brochure are from our own exclusive range, with all design elements completely interchangeable. For example all lawn type memorials can be made with any kerb surround. We use only the finest materials sourced from the UK and all over the world, including quality granites in various colours, Italian white marble, Portland and Nabresina stone. Each memorial is individually made to your requirements and in the material of your choice. Should you not see exactly what you have in mind, we can assist you in designing a bespoke memorial, incorporating ideas of your own. This service is provided at no additional cost.

# OUR MEMORIAL SHOWROOM

We have over 50 memorials on display in various colours and styles

## For your peace of mind

We are a BRAMM (British Register of Accredited Memorial Masons) approved company. We comply completely with their required standards as laid out within their regulations and codes of practice for all memorial masonry work and professional conduct.

Each memorial is fixed by us to the NAMM and BRAMM industry standards and our memorial fixers have been formally assessed and hold a BRAMM fixing license.

You can be assured and trust that we offer a high quality service by staff who have decades of experience. We will liaise with the local cemetery authority or churchyard on your behalf and advise you on their regulations to help you finalise your choices. Please refer to our enclosed guidance and advice leaflet for more information.

## Safety Notice

For Additional Stability, Safety and Peace of Mind

## Protect the memory of a loved one

Of course, you will care for the grave of a loved one. But who will safeguard the memorial, and repair or replace it if it is defaced or damaged over the years?

It is a sad reflection on today's society that many memorials suffer wanton vandalism.

And these attacks are not restricted to grand or elaborate memorials; often the simplest family stones are the target of malicious attacks or are accidentally damaged.

Whilst it is impossible to prevent this distressing possibility STONEGUARD 05 Insurance can ensure that any damage can be put right very quickly – even to total replacement of the memorial.

The cost of this cover can be as little as **£5 a year**.

**IT CAN HAPPEN** - as these typical examples show

WHAT HAPPENED	WHERE	CLAIMS PAID
Falling tree	Surrey	£1056
Accidental damage	Sunderland	£230
Storm : Blown over	Essex	£1575
Stolen statue	Manchester	£975
Lawnmower impact	Hampshire	£163
Staining	Birmingham	£336
Vandalism	Devon	£4640
Graffiti	Glasgow	£419

51	So dearly loved, so sadly missed.	26
52	An inspiration to all.	18
53	We hold you close within our hearts And there you shall remain To walk with us through our lives Until we meet again.	94
54	Nothing is more precious Than the thoughts we have of you To us you were special God must have thought that too.	91
55	A daily thought A silent tear A constant wish That you were here.	52
56	Our thoughts are always with you, Memories never fade We treasure all the things you did, And all the love you gave.	92
57	To have known you was a precious gift.	30
58	You taught us many things in life, That we would have to do But you never taught us how to cope, With the hurt of losing you.	96
